---

The Court orders that the motion to dismiss and motion to strike appellant's brief are DENIED.

In lieu of dismissing the appeal, the Court orders appellant secure the filing of the transcripts of the hearings held on December 14, 2007, February 22, 2008, and February 26, 2008, within 28 days after the Clerk's certification of this order. Within 14 days after the Clerk's certification of this order, appellant shall secure the filing of the stenographers' certificates to confirm that the transcripts have been ordered on an expedited basis from the appropriate court reporters.

The Court further orders appellant serve the transcripts that have been filed on appellee within 14 days after the Clerk's certification of this order and file proof of that service with the Clerk of this Court as required under MCR 7.210(F). Appellant shall serve the transcripts of the three additional hearings on appellee within 14 days after those transcripts are filed with the trial court clerk.

If the stenographers' certificates and proof of service of the transcripts that have already been filed have not been filed with the Clerk of this Court within 21 days after the Clerk's certification of this order, the Clerk is directed to submit the appeal on the involuntary dismissal docket for dismissal under MCR 7.217 for want of prosecution.

The time for filing the appellee and cross-appellant briefs shall be calculated from the date the complete transcript is served on appellee.
